TIGERS: AMAZING FACTS PICTURES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Tigers: Amazing Facts Pictures is the perfect animal picture book for children wanting to learn more about the lifestyle and habits of the amazing and powerful tiger. This book is filled with tiger facts, interesting comparisons between tigers and other animals, and even people. For example, did you know only fifty percent of tiger cubs survive to the age of two? And can you guess what tigers have in common with people and zebras? Tigers: Amazing Facts Pictures looks at the habitats, social skills, eating habits, and unique qualities that put tigers at the top of nature's food chain. It is a book that is educational, informative, and entertaining. Books about wild animals often run the risk of being boring for some and too complex for others. But not Tigers: Amazing Facts Pictures. This book is filled with pictures to capture children's attention and information that is easy to read and understand. It is unique in the fact that it appeals to a wide age-range. Parents and grandparents will even enjoy reading about tigers and learning what makes these wild animals such a force to be reckoned with. In fact, those who have reviewed it say it is an animal book they don't mind reading over and over again. So, if you and the young readers in your life want to know how many different breeds of tigers there are, what a tiger's favorite meal is, and how they like to spend a hot, sunny afternoon, Tigers: Amazing Facts Pictures is a book you will want for your animal picture book collection.
