### Reviews

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## ESSENTIAL TIPS FOR COACHING YOUTH SPORTS

Austin Brothers Publishers, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Coaching youth sports can be one of the most rewarding experiences of your life. However, it can also be one of the most difficult and discouraging. The difference will be determined by you-the coach. This book provides Essential Coaching Tips that will benefit everyone who wants to be a successful coach. As you know already, it is not about winning and losing. The most important element is to make it a positive experience for the youth and their parents. Teaching the appropriate situational behaviors, techniques, and bio-mechanical movements will create an environment where the winning will take care of itself. Many coaching resources focus on skills and drills, and omit the internal issues faced by participants during the season. However, these tips will help you set behavioral expectations that will encourage and motivate your players; the issues volunteer coaches confront on a daily basis. These skills will help you establish a safe and beneficial atmosphere that will benefit everyone on your team-players as well as parents. If you desire even greater training, National Athletic Coaching Certification Center (NACCC) is a ready resource for you. Visit the website ( for more information. Essential Tips for Coaching Youth Sports include. Preparations before a practice and competition Establishing good relations with parents Dealing with troublesome athletes Safety issues Communication Utilizing social media Establishing a discipline policy and many other crucial issues. Dan Cowan founded National Athletic Coaching Certification Center after years of working with athletes at all levels of competition. A graduate from Baylor University with a Masters of Education with a focus on Sports Pedagogy, he did his undergraduate studies at the University of Texas at Austin. In...
