The Marquis De Sade: A Very Short Introduction

By John Phillips

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Marquis De Sade: A Very Short Introduction, John Phillips, Were it not for the Marquis de Sade's explicit use of language and complete disregard for the artificially constructed taboos of a religious morality he despised, the novelty and profundity of his thought, and above all, its fundamental modernity, would have long since secured him a place alongside the greatest authors and thinkers of the European Enlightenment. This Very Short Introduction aims to disentangle the 'real' Marquis de Sade from his mythical and demonic reputation of the past two hundred years. Phillips examines Sade's life and work: his libertine novels, his championing of atheism, and his uniqueness in bringing the body and sex back into philosophy. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly.
