

## The Bed of Procrustes: Philosophical and Practical Aphorisms

Filesize: 4.63 MB

### **Reviews**

*It is one of my personal favorite publications. It is actually really fascinating through reading through periods of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, changed the way in my opinion.*

## THE BED OF PROCRUSTES: PHILOSOPHICAL AND PRACTICAL APHORISMS

[DOWNLOAD](#)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Bed of Procrustes: Philosophical and Practical Aphorisms, Nassim Nicholas Taleb, A condensed guide to life from the bestselling author of "The Black Swan", Nassim Nicholas Taleb's "The Bed of Procrustes" is an invaluable collection of aphorisms to help you navigate the modern world. Why are we so often unwilling to accept that life is unpredictable? In this brilliant book Nassim Nicholas Taleb distils his idiosyncratic wisdom to demolish our illusions, contrasting the classical values of courage, elegance and erudition against modern philistinism and phoniness. Only by accepting what we don't know, he shows, can we see the world as it really is. "Happily provocative .blistering .his observations concern superiority, wealth, suckerdome, academia, modernity, technology and the all-purpose, ignorant "they" .very quotable". ("The New York Times"). "A master philosopher". ("The Times"). "Taleb's crystalline nuggets of thought stand alone like esoteric poems". ("Financial Times"). "Opinionated and witty.It showcases his wit and learning, and provides ways to fillet his enemies". ("Independent on Sunday"). Nassim Nicholas Taleb spends most of his time as a flaneur, meditating in cafes across the planet. A former trader, he is currently Distinguished Professor of Risk Engineering at New York University. He is the author of "Fooled by Randomness" and "The Black Swan", an international bestseller which has become an intellectual, social, and cultural touchstone.
