Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

DOWNLOAD

Sidney Nachman, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Follow my 82-year old fight with depression, bipolar, dyslexia and stuttering at a time when doctors knew nothing about chemical imbalances in the brain. Watch me stumble blindly into lithium much before it was approved as a drug in America. Take a ride into my unfettered bipolar mind as far back as I can remember until my hair turns white and it s real hard to pee. See my world in black and white and vivid color. Feel what I feel when I feel like I weigh three thousand pounds and a minute later I can leap over tall buildings. Share a life gone wild that settles down when it s almost too late. PS. I still feel I m ten years old inside. I don t ever want that to change. A sample of this book as well as short stories in my other book, Strictly for Seniors is available at.
