CAPTURING NEW MARKETS: HOW SMART COMPANIES CREATE OPPORTUNITIES OTHERS DON'T (PAPERBACK)

[DOWNLOAD](#)

McGraw-Hill Education - Europe, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. ARE YOU READY FOR THE FUTURE? New markets have powered the greatest business successes in history, from Standard Oil to Facebook. How can you discover and pursue new markets to make your business thrive? In *Capturing New Markets*, world-renowned business strategist Stephen Wunker argues that the first step is to stop applying traditional formulas of success and understand the unique dynamics in fast-changing new markets. He guides you through the process of creating counterintuitive strategies, such as treating competitors as collaborators, timing market entry, and targeting narrow niches before big customer segments. Whether you work for a huge corporation or for yourself, *Capturing New Markets* helps you find new sources of growth. Based on Wunker's groundbreaking work with Clayton Christensen—the Harvard Business School legend who coined the term disruptive innovation—plus Wunker's extensive experience in the trenches, this practical and fascinating guide shows how companies: Identify, create, and dominate new markets Avoid the pitfalls of commodization and find new ways to grow Develop and sustain new sources of growth into the future Drawing on dozens of case studies plus data-driven research, this revolutionary approach to business shows you how to turn new markets into the drivers of growth—propelling you and your company into a whole new world of opportunity. You'll learn how to anticipate customer demands and meet emerging needs before anyone else does. You'll discover how to spot ideas ready for explosive growth, and how to lead new markets while your competitors are just waking up to the opportunity. You'll also see how to make these strategies work in companies that are both small and very large. *Capturing New Markets* upends traditional thinking about business strategy, showing what will work in...
