Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The introduction to the first lecture shows the circumstances under which the lectures were given, and the scope and purpose Of the course. I have, however, added some notes in the line of further development or illustration. It might have been more artistic to have recast the whole, working the notes into the text; but if this had been done, the loss would have exceeded the gain, since the lectures thus remodelled would not have been the lectures delivered, and they would moreover have contained details not adapted to oral discourses. It is due to me and to the reader that the book be judged from this point Of View and no other. While it therefore disclaims any pretension to profound research...
