FINDING OUR WAY : REFORMING TEACHER EDUCATION IN THE LIBERAL ARTS SETTING

Peter Lang Apr 2004, 2004. Taschenbuch. Condition: Neu. Neuware - This book tells the story of how the education faculty in a small, Midwestern liberal arts college recovered from the loss of its NCATE (National Council for Accreditation of Teacher Education) accreditation. Over a period of ten years, the faculty revitalized, reconceptualized, and redesigned their teacher education program, regaining accreditation in the process. Among the areas addressed are developing a conceptual framework and an assessment plan, the teaching of literacy and writing, field placements, technology integration, creative staffing, and diversity. What emerges is a portrait of a faculty engaged in a vibrant and developmental process of change and reform focused on the preparation of quality teachers for America's schools. 221 pp. Englisch.
