I LIKE ICE CREAM IN MY COFFEE PART FIVE

AuthorHouse. Paperback. Condition: New. 172 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Doctor Nick Demmy had tried unsuccessfully to become a part of the controversial world of medical wonder for seven years, beginning with the day he became certified by the Association, but to no avail. Now, suddenly his dreams had come true. He was called to work with one specific patient in this privately funded and family operated research institution and only because he had proven himself in the world of phenomenology. His own independent study had earned him a good enough reputation to be a part of the future in eliminating all mental disabilities. He would be avant-garde in this new and challenging forte of the unknown. Finally, the chance that an understanding of the brain so great would take place that all individuals who suffered with mind unrest could be cured. And Nick would be an important element in this instrumental undertaking. Famous, so to speak. He wouldnt disappoint these twenty first century explorers. I like Ice Cream in my Coffee: Part Five, The End is an exciting yet unbelievable twist of fate in an already unimaginable and thrilling ride. The reader will not only be surprised but awed with this implausible ending. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
