When his mom marries a white man and they move to a new white bread neighborhood, Dannys life changes. The school principal considers him a troublemaker, and he has to avoid Willy, the school bully, who calls him redskin and Tonto. After Danny acts out and gets suspended from school, his mom decides to send him to a summer survival camp for Native American teens. Danny is sure he is in for a boring summer on the reservation, without Internet access even. Instead, he meets other Native kids, learns to ride and care for horses, and develops a relationship with his grandfather, who teaches him the ways of their tribe. And even though life on the reservation is pretty cool, never in his craziest dreams did Danny expect to become involved in rescuing bison in Yellowstone National Park!
