

## Old Testament Alive! (Paperback)

Filesize: 9.53 MB

### **Reviews**

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

Erser and Pond Publishers Ltd., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

This is a poignant, respectfully humorous bird s eye view of the Old Testament, where people in the Scriptures come alive and talk directly to the reader. Noah s wife worries about what will happen if both elephants stand on the same side of the ark, the prophet Hosea wonders why God asks him to marry a prostitute, and Satan boasts about his nefarious plans. With the help of 170 beautiful color images created by professional photographers and designers around the world, Old Testament Alive! will give you much to think about as it foreshadows events described in the author s New Testament Alive! WHAT READERS ARE SAYING: As a pastor, I was delighted to discover such an interactive study guide. My wife and I sat down with some very bright international students who knew nothing about the Scriptures. When we shared the Bible and the Gospel with such intelligent students, it was so helpful to have this manual to inform our discoveries and launch us into discussions. - Rev Winston Clark, pastor Win and Nancy Clark served for 33 years in Nova Scotia, New Brunswick, and in Oxford, Ohio. They now work with Horizon International, advocating for African HIV/AIDS orphans. The Bible came alive for our Intervarsity Christian Fellowship study group when we met the people in both the Old and New Testaments and listened to their stories in their own words. We found the books very informative and entertaining. It is one of the reasons why my wife and I became Christians. Now that the two volumes are published, we plan to use them for discussion groups in our church. - Dr Cheng Wang, pathologist.
