Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Religious reconstructionism, the rebuilding of ancient traditions based on fragmented data and adaptation of these traditions for practical use in today s world while still retaining historical and cultural integrity, is a tall order on any day. When talking about the Picts, a tribal people from the British Isles, separate from the more familiar Celts and about whom we have only a spare few foreign accounts and some mysterious monuments dotted about the isles, it seems impossible and most have given up right out of the gate. Ray Hess is a polymath, capable of seeing patterns and making connection between seemingly disparate subjects to come to logical conclusions in an unconventional way. In this work, he pushed those skills to capacity. The premise is simple, if we consider the book of invasions as a mythologized version of history, it becomes clear that the Mythical DeDanann may be based on the Picts, and there we get some data to work with. Moving forward in time, we see the warring times where the Picts, nearly decimated, are united with the Saxons, and there we get a little more to work with. Finally, to fill in the blanks, he looks to other cultures with similar background and considers parallels in their respective development, comparing, contrasting and drawing out all he can. This work represent years of painstaking research and endless hours of work. The result is a unique and deeply engaging spiritual system which permeates all aspects of life while remaining practical and down to earth. There are modes of practice to fit all walks of life, from ancestor reverence, to animistic nature worship, to magical mastery of runes and draiocht (a unique,...
