ENGINEERING AND MANAGERIAL ECONOMICS

Global Vision Publishing House, 2012. Softcover. Book Condition: New. The role of engineers in society is changing. In the past, engineers tended to have a fairly narrow focus, concentrating on the technical aspects of the problem and on strictly computational aspects of engineering economics. Today, engineers are more likely to be the decision makers and they need to be able to take into account strategic and Policy issues. This book has focused on the practical application of Engineering & Managerial...
