

## Religion of the Rustic Gods vs. the Gospel Truth: Religion Without Reason - Book 5 (Paperback)

Filesize: 1.39 MB

### **Reviews**

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The motive of all customary religions is the same: to jointly serve the will of the wicked gods of the world. They also have one clear and simple message for enlightened humankind: to return to the Eden-like life of total spiritual blindness and shamelessness, presented in various ways by the various religious sects. The brave achievements of Adam and Eve in Eden-receiving the divine fruit of the knowledge of good and evil for humankind-still pose great worries for Yahweh/Allah and the other sneaky gods of the world. In retaliation, the gods try to reverse humankind's spiritual gains through the devious activities of human religion. Religion of the Rustic Gods Vs the Gospel Truth: Religion without Reason, Book 5 examines the teachings of the various major religions of the world. Uche E. Chuku asserts that in respect to humankind's quest for true spiritual salvation, Hinduism, Jainism, Sikhism, Buddhism, Confucianism, Taoism, Shinto, and all other religions are simply religions for nothing. What they espouse as mystical awakening is blindness to the basic facts of this life. Chuku discusses how the founders of all the customary religions of the world have become the thieves and robbers of human souls, and why seeking to unite with the gods of the world is seeking to share in their eternal spiritual damnation.
