Cicerone Press, United Kingdom, 2018. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Guidebook to 40 circular walks in Pembrokeshire in Wales. The routes, which range from 1 to 12 miles, take in the dramatic beauty of the national park and its coast, the Daugleddau and the Preseli Hills, while exploring wooded gorges, prehistoric hillforts and medieval castles. Step-by-step route descriptions are accompanied by 1:50,000 mapping. For each route, information is also given regarding parking and public transport options, as well as toilets and refreshments available along the way. The guide also includes a useful route summary table, plus information on tides, the terrain, and weather in the region. This collection of walks includes something for everyone, from novices to experienced ramblers. None of the walks demand technical skill and, in good weather, pose few navigational problems. Whether following the coast, wandering the hills or exploring the valleys and woods, the walking everywhere is superb and will invariably reveal something unexpected along the way.
