Explains how Booths plot against Lincoln evolved and the political circumstances that compelled Kennedy to make his fateful trip to Dallas. Covers the aftermath of both assassinations, including the manhunt for Booth and the investigations of the Kennedy assassination. Discusses the conspiracy theories surrounding the Kennedy assassination and the similarities and differences between Kennedy, Lincoln and their assassinations. In the annals of American history, few moments have been so thoroughly seared into the nations conscience that Americans can remember exactly where and when they heard about an earth-shattering event. In the 19th century, there was the assassination of Abraham Lincoln, and in the 20th century there was Pearl Harbor and the assassination of President John F. Kennedy. Until April 14, 1865, John Wilkes Booth was one of the most famous actors of his time, and President Abraham Lincoln had even watched him perform. But his most significant performance at a theater did not take place on the stage. That night, Booth became one of historys most infamous assassins when he assassinated President Lincoln at Fords Theatre in Washington, D. C. Although Robert E. Lees Army of Northern Virginia had surrendered days earlier, Booth believed the war was not yet over because Confederate General Joseph E. Johnstons army was still fighting the Union Army, so he and his group of conspirators plotted to kill Lincoln and other top officials in a bid to decapitate the federal government and help the South. Perhaps not surprisingly, the actors flair for the dramatic came at a cost to the plot. It took almost no time for the shocked public and...
