PASTORAL THEOLOGY

SCM Press. Paperback. Book Condition: new. BRAND NEW, Pastoral Theology, Margaret Whipp, The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level. The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences. Introducing key themes in theological anthropology and pastoral practice, it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care. Working with case studies, the book will introduce broad frameworks of understanding of issues such as growth, loss, and sexuality, together with critical perspectives on important aspects of practice such as language, power and boundaries. The book provides an accessible overview of key concepts in pastoral theology, offering key entry points for further discussion and study. Each chapter includes discussion questions and/or reflective exercises at the end of each chapter together with a short bibliography. Throughout the text, key summaries of learning will be indicated by boxed Practice Points.
