By Ronna Flaschner

Osiail Publishing llc, United States, 2009. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. Like a tattered string of paper dolls, maternal patterns reappear generation after generation. How much of a mothers history is reflected in the decisions and challenges faced by her daughter? Reacting to her husbands affair with his research assistant, Sara flees her secure life in suburban Boston, uprooting her two children and moving into a family lake house in Winnesquall, New Hampshire. There, Saras life reels in unanticipated directions. Living in a small cottage next door is down-to-earth single mother, Cindy, a local woman with little patience for outsiders like Sara and her children. Yet something in Saras struggle pulls Cindy in, ultimately leading to heartbreak, redemption, and, through Saras actions, the fracturing of Cindy s hard exterior. Worlds apart, the two women share an uneasy bond as they grapple with inherited templates for womanhood and discover the distinct garland of paper dolls lingering in the shadows of their lives.
