Reviews

It is in a single of my personal favorite ebook. I am quite late in start reading this one, but better then never. Your life span will likely be enhance once you total reading this article publication.

(Russ Mueller)

UNKNOWN PAGES (PAPERBACK)

AUTHORHOUSE, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Unknown Pages is a parable depicting the age old story of good versus evil. Using adolescents as an allegory of emerging awareness, we are transported into a realm that resembles a mirror of our own conscious and subconscious dilemmas. A host of magical beings such as dragons, fairies, spiders, mermaids, snake and tree spirits are at war with Mabus the evil Sorcerer and his alien minions. The object of this battle is to retrieve from Mabus, a white powder gold, found in meteorites called Cosmic Dust. This gold dust has mystical properties enabling the restoration and healing of our dying planet. The alchemical transmutation of trusting in the magic within combined with precious Cosmic Dust results in a tale of valour and optimism, pitted against the forces of destruction and greed. The quest is to save the planet s resources from being sucked dry by Mabus. The two teenagers, Rosie and Brooke meet in a bookshop, where they find themselves in a time warp of being wide awake in a dream. They have been called into this world by powerful earth energy in the shape of a dragon called Aurora Borealis, Queen of Light. The youngsters have been specifically chosen for their strong characters and stout hearts. Their task is to take the knowledge from their breath taking journey back to the Waking World, thus completing a vital healing process.
