Pub Date: 2013 Pages: 483 Language: Chinese in Publisher: Tsinghua University Press strict teacher in the development of teachers' professional competence and ethics construction. also have their own thinking and practice. In particular. he praised the teachers' professional self-development and ethics self-improvement. and I think it makes sense. So. regardless of any occupation. if not the two self as a support. he is likely to be a mediocre person. Primary and secondary school teachers. self-development. awareness and ability of self-improvement. more special meaning. As the book says. the realm of self-development self-improvement and capacity of teachers. more training from the students in the development of self-improvement. Teaching with casting the soul: a language teacher education feelings with a lot of space to talk about the author's own upbringing. which talked about the thinking of today's educational growth of thinking of minors. we talk about sincere . Some words also made it in place. such as: a society either to lead people to the fear of the fate and spirits. either to lead people to the fear of the legal and ethical. it must be one. If both disposable. it may breed audacious or lawlessness. This understanding of the strict teacher is worth people thinking. A primary and secondary school teachers. to do their own work at the same time with a positive attitude. attention to social. this is a very meaningful thing. Contents: sequence programmed growth of life and longing Introduction and Construction Corps: the journey of life inn accidentally. when despair debut podium graduated from a high school teacher allocation eyebrows both the podium strenuously devotedly attached to the first dance Reed long established Xingtan monograph gone...
