Reviews

This is an remarkable publication that I have ever read. Indeed, it is actually engage in, nevertheless an interesting and amazing literature. I am just happy to inform you that this is the best publication i have got go through during my personal lifestyle and may be he finest ebook for actually.

(Toby Baumbach)

BETTER APPROACH TO PENCIL DRAWING (PAPERBACK)

Dover Publications Inc., United States, 2017. Paperback. Condition: New. Unabridged, Reprint. Language: English . Brand New Book. This guide offers an outstanding overview of the finer points of pencil work, both for sketching and detailed finished drawings. Author Frank M. Rines discusses approaches to graphite work and techniques for still life and landscape drawing. He emphasizes the importance of good design and composition as well as accuracy, showing how to develop an outlined drawing by adding lights and shadows together with the suggestion of color and texture. Suitable for artists and art students of intermediate and advanced skills, this single-volume edition combines two instructional manuals by Rines, Pencil Drawing and Pencil Sketches. Plentiful illustrations include full-page images as well as smaller images and progressive examples that demonstrate the use of perspective, the contrast of light and shade, and other elements of technique. Subjects include rustic scenes and rural landscapes, with many valuable tips for drawing trees, flowers, doorways, and buildings.
