My name is Ramona, and I m a maid at a world-famous luxury hotel in a major city. People from all walks of life stay here while in town for both business and pleasure. Believe me, there is plenty of pleasure to be found here! You see, I m a voyeur - that means I like to watch people in sexual situations. Sometimes they know that I m watching, but usually they don t. Once in a while, I even get to join in the hot fun! You ll find me using my passkey card to take advantage of every opportunity for peeping. I ve hidden in the closet of the bridal suite and watched a famous couple getting it on, peeked through an air vent as people had wild sex in the jet tub, and even sneaked into the closed-circuit TV room to spy on lovers doing it in the parking garage! I know all of the tricks and my boss doesn t mind - in fact, if there is an incredibly sexy scene going down, I ll text her to come and watch too. As you can imagine, we ve had many titillating conversations across the break table! My desire is that you ll get as much pleasure from reading this book as I ve had researching it!.
