Headline Publishing Group, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. The city of Seattle burned down in 1889. When it was rebuilt, much of the old city remained, buried beneath the modern streets. Nobody really knows what s down there any more. Now a suspected psycho and the eight-year-old girl he has taken hostage during a bungled heist are about to find out, when they crash through the floor of an abandoned warehouse into a street no one has walked down for a hundred years. Pursued by an ex-Vietnam Tunnel Rat brought in by the Seattle PD - a man with one or two mental problems of his own - Hilton Badcock has no choice but to drag young Ali further into the underground maze in search of a way out. But the deeper they go into this strange, secret world, the weirder and more dangerous things get.
