Xlibris, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This third novel of the series has short stories that involve the human psychology and relates to people in general ranging from years of the past to modern-day people. It gives one an idea of the struggles of people in their lives here on earth under conditions that are categorized as sinful, as you have read of such the case in book 1 and 2. In these stories, you will find the author describing certain realities that people also face and have a conclusion of the myth or abnormal life of such as the chapters involved in this book tell. This is part of a trilogy, the third series of the TROGS (The Reich of God Sins.) The word Reich pertains to a connection of the people and of God in which the sins of mankind are so abundant in everyday life. Also that there is a means to stay alive and do well each day and survive these times in life. The two, together, form a bond or understanding that sins are a human fault and all people are sinners! God is the one in charge, and if we fall or fail, we are granted that we can get back up and keep trying. After all, being a human and living with sin needs somebody with some compassion, caring, and understanding.
