A772 2007e OCLC Number: (OCoLC)313806360 Subject: Astronautics, Military -- United States -- Finance. Excerpt: . . . 11 both military and civilian employees of the NRO - not just at the certificate level, but at the masters level - in engineering, adminis-tration or public management, to make it portable, something they can take with them in their careers. Improving our acquisition processes has been the focus for me since I took over the NRO in July of 2005. We have abandoned ac-quisition reform, as it once was known, and we are making progress that is measurable. Two quick points in that regard. As part of the Presidents management agenda and the Govern-ment Performance and Results Act, OMB evaluates at least one of our major programs every year. In the last evaluation, our commu-nications directorate received a grade of 81, the highest of all of the intelligence community agencies, and compared very well with the best across the Government. Second, our mission integration and development program - the MIND - was recognized last October by the Department of Defense and the National Defense...

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.
