

Mind-Bending Mazes: Test Your Brain and Ingenuity with 80 Challenging Mazes (Paperback)

Filesize: 3.98 MB

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

MIND-BENDING MAZES: TEST YOUR BRAIN AND INGENUITY WITH 80 CHALLENGING MAZES (PAPERBACK)

Parragon, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Test your brain and ingenuity with this collection of 80 challenging labyrinths in Mind-Bending Mazes. Puzzle specialist Dr Gareth Moore has created inventive mazes to make even the most ardent of puzzlers direct all their mental resources and patience to find the solution. As you work through, the mazes become more and more demanding, so expect a tough series of mental tests. There are dozens of visually different mazes, including curving lines, pentagonal or circular-shaped mazes, but most follow the basic rules of simply following an elaborate path from the entrance to the exit. A few, such as the Warp, Multi-Level and Bridge mazes, have extra how-to-solve instructions, adding another level of fun and further testing your problem-solving skills. Do you have what it takes to become a maze master?.
