AUTHORHOUSE, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What this book reveals: God Almighty needed a trusted vessel - the right body - to channel His salvation plan. After centuries of search, He did settle on Mary, a virgin girl that lived in Galilee, who had the perfect body, the right attitude, and sufficient faith. Undeniably, an imperfect body would have defiled the divine nature of Christ; the wrong attitude would have delayed the salvation plan, and an insufficient faith would have jeopardized the entire plan. When God found the right body, He did not only purify it, but He also filled it with infinite grace. Indeed, the salvific project required maximum precision; precision that ought to be multimillion times more accurate than sending shuttles into space. Fault tolerance for the salvific mission was zero. Mary was not only part of the plan, but her body, attitude, and faith were critical to the success of the entire mission. While it is true that God prepared Mary she for the role, God respected her freewill and sought her cooperation. Unlike Eve, she cooperated with God and submitted to His will. While many Christians do not give Mary her pride of place, their disdain does not diminish the unique role she played in the salvific plan. Also, their disdain does not diminish the favors she gained from God and made manifest by her divine maternity. Indeed, Mary is blessed above all women, not because we think, believe, or say so, but because it is so. Indeed, the Mighty One has done great things for her, and holy is His Name. Pidoimson navigates on a very high frequency of spiritual plane. I commend him for this excellent treatise on the Blessed Virgin Mary. It is an...
