Hawaii's Food Dictionary: Over 800 Familiar and Not So Familiar Ingredients Found in Hawaii's Local Cuisines (Paperback)

By -

Mutual Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book. Hawaii's culinary terms can be baffling, whether supermarket shopping, looking for recipe ideas in local cookbooks, or reading restaurant menus, particularly at fine dining ones where chefs like to show off by using new and fancier food terminology. While newcomers to the islands are at the most disadvantage, even longtime residents can get stumped by forgotten meanings of ingredients. Being familiar with every culinary term or ingredient, particularly those not from one's heritage/ethnicity, is impossible. Add in local pidgin and one can be excused for not knowing the meaning of many local culinary terms. Hawaii's Food Dictionary ends all the confusion and unknowns. No longer do you have to be in the dark about an ingredient's meaning or a food term. No longer do you have to be stumped at the grocery store or intimidated at a restaurant when you hear the specials.

Reviews

This is actually the very best publication i have read through till now. It is definitely simplistic but unexpected situations in the 50 % in the pdf. You can expect to like just how the article writer compose this pdf.

-- **Ms. Elinore Wintheiser**

Good electronic book and valuable one. It generally is not going to charge an excessive amount of. Its been developed in an remarkably straightforward way and is particularly simply following i finished reading this ebook through which really transformed me, change the way i think.
