Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Origami Majestic Castle opens the Origami Land Series by the Oriland authors and shows you how to build your own magnificent Origami Castle of Oriland style! For more info and images on this book, visit // majestic castle/main.php Become an origami architect and build your own Paper Kingdom with this majestic Castle as a centerpiece! Originally designed by Yuri and Katrin Shumakov in far 1997, this Castle is the main attraction of Oriville Kingdom of their Oriland exhibition. The Castle consists of 23 elements: bases, stands, walls, roofs, towers, lanterns, different accessories and more, and requires 382 separate pieces to be folded. It is a big enterprise for those with some experience in origami and the experts alike, so that the process and result will be very satisfying! On 90 full color pages, there are about 500 detailed step-by-step colorful vector diagrams with written instructions along with photos of the completed design that will guide you through folding all the elements of the Castle and the assembly process. The Paper Preparation section offers recommendations on paper type, colors and size including indication of the size of the completed model. In general, the Castle is a complex design as it is a large-scale undertaking requiring much patience and time, however only a few elements are intermediate-complex level of folding and all other elements are simple and intermediate. No any glue, just clever paper engineering! Building this Castle is a lot of fun and you can do it with your friends and family! We hope you will enjoy this book, creating the Origami Majestic Castle and building your own Paper Kingdom! Happy folding!.
