*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Arthur Conan Doyle: A Life in Letters, Jon L. Lellenberg, Daniel Stashower, Charles Foley, Arthur Conan Doyle, A collection of letters between Arthur Conan Doyle (author and creator of Sherlock Holmes) and his mother, covering most of his life, written between 1867 and the year of her death in 1921. Doyle was raised almost solely by his mother in Dickensian circumstances, (his father latterly suffered from dipsomania and epilepsy and so spent much of his later life in asylums). Since Sherlock Holmes's inception in 1887, he has been one of the best-known and widely read literary characters, and the subject of more radio and television shows and motion pictures than any other fictional character in history. Although Doyle and his Holmes continue to be much written about, talked about and adapted, this is the first time that this material, along with other personal papers, has ever been made available. Conan Doyle although most famously remembered for Holmes, was also a physician, sportsman, public figure, war correspondent, pioneer of science fiction, psychic investigator, and prominent spiritual missionary. These letters reveal fascinating portraits of Doyle: his trip to the Arctic aged 21 where he served as a ship's surgeon on a whaling ship; his unprofitable stint as a Harley Street doctor and his decision to abandon this in favour of writing, more money and the opportunity to help his mother to look after his many younger brothers and sisters; his friendships with J.M.Barrie (among others); his attempts to write material other than Holmes; and his involvement in the spiritualist movement - something that his mother, a devout Roman Catholic, was completely against. 'Mam' as he called her, was his most loyal confidant, and his letters functioned to a certain extent as confession and cleansing...
