Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On the Electromagnetic Field Equations in the Ionosphere This paper consists of two notes on the equations governing the propagation of electromagnetic waves in the ionosphere. In Part I the temperature properties of the ionosphere are derived by a method due to van der Wyck While we introduce only minor improvements on his method, it was felt worthwhile to make these results generally more available.
