

An Studying Captive Animals: A Workbook of Methods in Behaviour, Welfare and Ecology

By Paul A. Rees

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, An Studying Captive Animals: A Workbook of Methods in Behaviour, Welfare and Ecology, Paul A. Rees, Studying Captive Animals outlines the methods that may be used to study the behaviour, welfare and ecology of animals living under the control of humans, including companion animals, feral populations, and those living on farms and in zoos. This book is a step-by-step guide to the whole process of conducting a scientific study: from designing the original project, formulating testable hypotheses, and collecting and analysing the data, to drawing conclusions from the work and writing it up as a scientific report or paper. It also illustrates how to write a formal research proposal - a crucial and often difficult element of the student project - and how to deal with the ethical review process. Sample data collection sheets are provided and the analysis and presentation of data are worked through in diagrammatic form. In addition, exercises are included that enable the reader to practice analysing different types of data and advice is provided on the selection of appropriate statistical tests. The text describes the different types of student projects that may be undertaken...
