

## Werwolves

Filesize: 6.62 MB

### *Reviews*

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Brian Miller)*

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Today, werewolves are known to be mythical creatures found in fiction instead of lurking in the dark woods, but that was not always the case. Not so long ago, belief in werewolves was common. Overall, there was little difference between the killings and activities of wolves and werewolves: both would hunt at night, attacking sheep or livestock, and sometimes humans. The main difference was, of course, that the werewolf changed into human form at some point. There are several medical conditions that can mimic the appearance of a werewolf and may have contributed to early belief in the literal existence of the creatures. One is hypertrichosis, which creates unusually long hair on the face and body; a second condition, porphyria, is characterized by extreme sensitivity to light (thus encouraging its victims to only go out at night), seizures, anxiety, and other symptoms. Neither of these rare conditions turns anyone into a werewolf, of course, but centuries ago when belief in witches, vampires, and magic was common it didn't take much to spawn werewolf stories. Clinical lycanthropy is a recognized medical condition in which a person believes himself or herself to be an animal, and indeed there are rare cases where people have claimed to be werewolves. For example in 1589, a German man named Peter Stubbe claimed to own a belt of wolfskin that allowed him to change into a wolf: His body would bend into a lupine form; his teeth would multiply in his mouth; and he craved human blood. Stubbe claimed to have killed at least a dozen people over 25 years - though his confession was made under difficult circumstances: After...
