Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Aran and Patrick found out that they were expecting baby number 3 back in August 2011. While Aran was openly hoping for a baby girl (already the mother to two little boys) to spoil in her favorite color PINK, all they prayed for was a healthy addition to their already precious family of four. Aran s pregnancy seemed to be going perfectly. On November 22nd Aran and Patrick were given the heart breaking news that their baby had a fatal illness called Fetal Hydrops and the chance of survival was dismal. With little information and heavy hearts, Aran and Patrick knew that it was time to start fighting for their baby. Reading this book you will discover a remarkable journey about a mother s fight for her child s life. It is a story about unconditional love for an unborn child, ongoing support from friends and family, and faith and hope in God that gave them the strength to make it through unimaginable times. Sometimes when we think about our lives we take the little things for granted. We don t always appreciate all life has in store for us until we are faced with tragedy. It is that tragedy that we encountered with that brought on this Journey with and Angel.
