Random House USA Inc, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Design your own beautiful sanctuary in any space, with unabashedly feminine style Whether you are happily single or a mother of four, having a room that pleases you is a common fantasy. After all, what woman doesn't want a modern, romantic, feminine, grown-up space that she can call her own--where she can listen to opera (or eighties music) and engross herself in the pages of Jane Austen (or the latest celebrity gossip)? Hers offers hundreds of stylish ways for creating your own private retreat, even when your bedroom doubles as your living room or when delicate furnishings don't seem compatible with kid-friendly living. With some thoughtful rethinking of your home's layout and some imagination, you can dedicate part of a shared space to your own interests, and Jacqueline deMontravel will show you how.
