

## Rain On A Dark Mirror

By Sarah Pierzchala

iUniverse. Paperback. Condition: New. 460 pages. Dimensions: 9.0in. x 6.1in. x 1.2in. North America, late 21st century. The United States has been shattered by decades of war, economic instability and strife between Christians and Moslems. The cultural wedge dividing the highest strata of society from the most destitute has hardened into a strict caste system where those at the bottom are suppressed via a government-sponsored free chemical-elixir policy. On the isolationist West Coast, chaos is kept at bay by a few men who have the education and technical skills to combat the powerful multinational corporations seeking to divide further and conquer the fragmented nation. When Lt. Owen MacIntyre of the Regional Law Agency investigates a corporation's unauthorized elixir shipment and the mysterious family involved, he views it as a chance to escape his normal routine at the Agency. But he soon uncovers a more serious threat to the region's security. MacIntyre is rapidly drawn into a dark storm of international conspiracies, illicit biotechnology and dangerous family secrets. A vividly-drawn, swift-paced vision of the near future, where powerful dynasties control the global economy and where science and technology invade the most sacred realms of the human heart and soul. ### Reviews

*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
