Blue Monday is the thrilling first novel in Nicci French's top-ten bestselling killer new series introducing psychotherapist Frieda Klein *** Monday: five-year-old Matthew Faraday is abducted. His face is splashed across newspaper front pages. His parents and the police are desperate. Can anyone help find their little boy before it is too late? Psychotherapist Frieda Klein just might know something. One of her patients describes dreams of seizing a boy who is the spitting image of Matthew. Convinced at first the police will dismiss her fears out of hand, Frieda reluctantly finds herself drawn into the heart of the case. A previous abduction, from twenty years ago, suggests a new lead - one that only Frieda, an expert on the minds of disturbed individuals, can uncover. Struggling to make sense of this terrifying investigation, Frieda will face her darkest fears in the hunt for a clever and brutal killer . . . Praise for Nicci French: Nicci French's sophisticated, compassionate and gripping crime novels stand head and shoulders above the competition. No one understands human psychological frailty better.
