

And the Mountains Echoed

Filesize: 8.28 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

Bloomsbury UK, 2013. Gebundene Ausgabe. Book Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - Khaled Hosseini's first novel in 6 years is a deeply moving tale about how we love, how we take care of one another, and how the choices we make resonate through history. Moving from Kabul, to Paris, to San Francisco, and to the Greek Island of Tinos, Hosseini eloquently writes about the family bonds that define us and shape our lives. Broader in scope and setting than anything the master storyteller has ever written before, this is a guaranteed bestseller, sure to follow the success of 'The Kite Runner' and 'A Thousand Splendid Suns' which have sold over 6 million copies worldwide. 404 pp. Englisch.
