Dog Ear Publishing, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Did you ever say, I m so hungry, I could eat [?]! I bet you have. And I bet that blank was filled with something you wouldn t normally choose to eat. For Arlo, that food is soup. In this highly entertaining fable, Arlo and his best friend Addy are whisked away by an enchanted tree whose only hope is to teach Arlo a lesson. Their adventure takes them around the globe where they are greeted with charity, friendship and a whole lot of soup. Delightfully written and illustrated, this original tale will leave you laughing and hungry. Sofia (12) thinks I m hysterical. Daniella (9) finds me snugly. Maria, my wife (21, because that s what she keeps telling Daniella) says, You need more exercise. I m just glad they let the little boy come out to play every now and then. You can t get any richer than that. Russ and his family reside in NJ with Ginger their pooch and Howard and Wurtle the turtles.
