THE OTHER SISTER (PAPERBACK)

Ebury Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Perfect for fans of Jojo Moyes, Dorothy Koomson and Liane Moriarty, this is an uplifting and heartfelt novel from the author of The Memory Book, which was featured in the Richard Judy book club 2014 I immediately read The Memory Book and it's WONDERFUL . I'm so happy because she's written other books and it's so lovely to find a writer you love who has a backlist Marian Keyes Every family has its secrets. Willow and Holly are identical twins, as close as two sisters can be. But while Holly has gone through life being the `good twin` , Willow has always been the less than perfect one. Holly is happily married, Willow is divorced and almost twice her twin's size. And while she puts on a brave face to the world, Willow knows she's been hiding her unhappiness for far too long. So when the past catches up with her, Willow realises it's finally time for her to face her fears, and - with her sister's help - finally deal with the secrets of their childhood before it's too late.
