James Thomas Angelidis, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If there is any one James Thomas Angelidis book to buy for yourself, this is it. In Approaching the Kingdom: An Anthology, the reader will find all my works in one place. This 512 page volume is the result of a 15 year journey. This process began after college when I was 22 with my search for truth in the so called real world. And, it includes my more recent letters and drawings. It is a comprehensive representation of my written efforts to save souls. With this anthology, I have tried to make my books and other works as accessible as possible. It illustrates my vision and presents the way and order my books are meant to be read. My books are in target audience age order - the way I foresee my youngest fans growing up with my work. My plan has always been to raise generations of children, so they can ultimately become adults who are one with God, to save their souls, so they can attain eternal life. And, once they are saved, they can then also save others. This is my way of training young warriors for God. This volume is also particularly valuable for those adults who do not want to buy my children s book, which is not just for children and is a work they will prize for themselves. Though I drew the illustrations for children, the lessons are for all ages, including adults. . In this anthology - Approaching the Kingdom - I have laid out the most important things that have helped me reach Salvation and this is my method of helping others attain Salvation. So, enjoy and may God bless you as he...
