Hermes Press. 1 Paperback(s), 2012. soft. Book Condition: New. Published in 1970, when the first supernatural soap opera on American television was nearing the end of its five-year run, Dark Shadows Story Digest Magazine #1 was the first (and only) issue of what was intended to be a series of complete illustrated novelizations. It was presented in a format that paired full pages of D.J. Arneson's story (in which Barnabas Collins is summoned by a beautiful ghost and transported back to Salem, Massachusetts, to defend his life in a witch trial) with page-filling drawings by Dark Shadows comic book artist Joe Certa. The original two-color art has been digitally restored and given full color, and the book includes an extensive supplement with photos from the original television series. 128.
