Createspace, United States, 2010. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A shocking look at Governor Brown s appointment of judges who were far-left friends, donors, politicians and just shock value appointees, regardless of the lack of any qualifications in many, many cases. This book highlights the antics, bizarre behavior, and outright illegal actions of individuals before and after they were appointed by Brown as judges in California. It is also a factual look at the outrageous actions and the pro-criminal decisions of judges appointed by Governor Jerry Brown who changed laws, set liberal policies and gave special preferences to criminals and fellow acquaintances. Brown s most famous appointment as Chief Justice of the California Supreme Court, Rose Bird, is revealed as a despot who championed anti-death penalty cases which hampered law enforcement and prosecutors while allowing criminals to avoid the death penalty. The Bird court overturned Rodney Alcala s first conviction for the murder of 12-year-old Robin Samsoe who was just convicted in 2010 for the third time for the same horrific murder. The Bird court also found that multiple forced rape, sodomy, and oral copulation do not constitute great bodily harm. Jerry Brown s judges managed to prevent the executions of ANY convicted murderer while he was Governor, consistent with Brown s own personal opposition to the death penalty. This book reveals shocking and unbelievable stories of the personal lives of judges Governor Brown appointed to the judiciary. Among the chapters you will find Brown judges violating the law, growing pot at home, friendly associations with known mobsters, violations of court ordered alimony and child support, and even criminal charges! Democrats, Republicans, newspapers, and victims at the time agreed that Governor Brown s appointments were often shocking...
