Banning Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When Xander and Jackson (Jax) Carter are asked to check out the banker with no digital footprint who is dating the mom of one of their Woodhaven High friends, they are drawn into the world of identity theft, account hacking, and drone surveillance. When the stakes escalate to kidnapping, the boys must race against time to stop the hacker in a game of digital chicken to save their friends. This high-tech romp is as much a glimpse into the lives of modern teenage brothers as it is a mystery. Xander has a natural affinity for technology as if born with a silicon chip in his head, and Jax has a genius EQ with the innate charm to talk his way out of almost anything. Together the Carter Bros make a fantastic problem solving team even when they re bickering. Bring the Hardy Boys into the 21st century and give their relationship a hint of Sherlock Holmes and Dr. Watson - that s the Carter Bros!.
