AuthorHouse. Paperback. Condition: New. 100 pages. Dimensions: 8.0in. x 4.8in. x 0.7in. My daily observations of how people really communicate, interact, and react with one another everyday at the airport is, for me, considered a typical day. Each situation is derived from my journal in which I eye-witnessed a variety of peoples reactions in response to numerous incidents. When you see and hear so much cruel behavior day after day, it becomes quite aggravating. Redundancy Exactly! You know when you get tired of something. You just get mentally worn-out. Instead of me complaining about all of the different types of attitudes from so many diversified people I see at the airport, I realized that it was my duty to those who are innocent of such behavior, to do something about it. So, I decided to put it all down in black and white. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
