

## Involution: An Odyssey Reconciling Science to God

By P. A. Rees

CollaborArt Books. Paperback. Book Condition: new. BRAND NEW, Involution: An Odyssey Reconciling Science to God, P. A. Rees, A book to share an inspired vision by restoring 'beautiful, aesthetic poetry into the history of science'. This unorthodox work has been called ' - an heroic intellectual tour de force - reflecting the act of genius' but hyperbole probably does duty for description which the work defies. It breaks all the rules and is unlike any other. It is so comprehensive in its sweep, original in its writing, ground-breaking in its synthesis, that to isolate any aspect is to misrepresent its nature. That science has reached the end of its habitual road, and must apply itself to the 'hard problem' of consciousness, and a synthesis with spirituality has now become commonplace and the subject of innumerable hand-wringing books. This book differs from these others by retracing the scientific journey to reveal how and why science has reached the current impasse. Instead of lamenting the consequences of the road less travelled by science, the road of inner, spiritual understanding, it reveals the presence of quiet inspiration all along. The torch bearers that lit the scientific journey: the Keplers and Faradays that apprehended...
