

Gardening with Peter Dowdall: The Importance of the Natural World (Hardback)

By Peter Dowdall

Cork University Press, Ireland, 2010. Hardback. Condition: New. Richard Mills, Orlagh Murphy (illustrator). Language: English . Brand New Book. This book aims to share with readers the basic tools, techniques and principles of how to create and maintain a beautiful garden through Spring, Summer, Autumn and Winter. Straightforward, no-nonsense language and advice, along with simple photography showing the practicalities of gardening will advise budding gardeners on how to build their garden from a naked skeleton through to a beautifully garbed wonderland. The book will give people a greater understanding of the part that gardening and nature plays in their lives, in their health and in their general wellbeing. The book is separated into horticultural sections - architectural plants, evergreens, seasonal plants, contrast textural plants, herbs, fruit vegetables, and container gardening - so whether the reader is starting their garden from scratch, or merely looking for advice on annuals or the edible garden, they will find what they are looking for easily. Each section is covered from the point of view of choosing the right plant for the right space, the planting itself, and maintaining the plants through the seasons. Each section will also contain boxed-out sections, or sidebars that highlight...
