After Socrates had brought down How Socrates is said philosophy from heaven to earth. To to have brought down quote Mr. Lewes ( Biographical History of Philosophy from hea-Philosophy, vol. 1, p. 221), the philosovent to earth. phy of Socrates was a realization of the inscription of Delphos--Know Thyself. It was in himself that he found the ground of certitude which was to protect him against scepticism. It was therefore moral science which he prized above all others. Indeed, we have great reason to believe that his energetic denunciations of Physical speculation, as reported by Xenophon, were the natural, though exaggerated, conclusions to which he had been hurried by a consideration of the manifold absurdities into which they drew the mind, and the scepticism which they induced. There could be nothing but...
