A year ago, she thought Joshua Jackson was the man of her dreams, until one night, his brother refused to take no for an answer, and her dream evaporated. Searching for love in a string of meaningless relationships, she finally gives up, realising no one else will ever live up to her dream of Josh. All Amy wants now is to spend her long awaited holiday relaxing and trying to forget, but her sister has other plans, and sets her up on a hot date that changes everything. Josh would rather be anywhere other than Greece. It isn t the country he dislikes; it s the company. Being forced to work out his differences with his brother was not how he d planned to spend his summer. So far he s stuck to his good behaviour promise, but when the cause of the dispute turns out to be his blind date, family loyalties are the last thing on his mind, and he is determined not to waste the second chance and lose her all over again. Kiss the Tiger is a new adult, romance novel containing language and sexual situations that may not be appropriate for readers under 18.
