By Richard Brown

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The idea for this book predates not only my trilogy on colonial rebellion but my decision to produce the Reconsidering Chartism series. Its gestation began in 2003 with an off-hand comment by a student during a session on European influences on Chartism in the 1840s. She asked: what impact did Chartism have on the rest of the world? I have spent the years since trying to find an answer and this has taken me in directions I could not have anticipated when it all began. Although much has been written about Chartism in Britain, though considerably less on Ireland, when I started work on this problem I quickly found that, apart from articles considering European influences on Chartism and on Chartism in Australia and a book on Chartists in the United States, this was not a question that had been the subject of serious consideration. The opening chapters address this issue. The first examines the internationalism of Chartism something that was evident from the beginnings of the movement. Chapter 2 looks at the relationship between Chartism and events in Canada during...
